Yes.

We've received the claim and I approved it for payment.

A couple of questions, however, for you:

1. The work was conducted for the USEPA and the strike occurred in November 2018. Why so long for the claim to be forwarded to us?
2. We excavated some drainage ditches, backfilled and restored these areas with sod. Your folks immediately thrashed these areas (see photos). What avenues do we have for your firm to resolve this damage?

Please forward these questions and the attached photos to the appropriate Atmos representative,

Thanks,

Don Edgington
